

During the holidays, Thomas and I went to a Primary Performance Academy to represent school. It was to develop our co-operative, stamina and physical skills.

We did lots of fun things like orienteering and a bleep test. I knew a boy their called Harry Godwin, he was in my group. On the last day we did really fun skills like the cooper run. We did hard work that we enjoyed participating in.

Thank you Mrs Delf for choosing me to go to the PPA.
