Techniquet Glyndŵr

Dear Parents,

11th February 2020

On Tuesday 31st March, Willow will be visiting Techniquet Glyndŵr. Techniquet is a practical, hands-on, interactive science museum.

During our time there, we will have time to visit the museum, as well as take part in two exciting sessions. The first session will focus on forces and will look at static electricity and the effects different forces have. The second will focus on mechanisms, cams and motors.

The children will be leaving school promptly at 9am and be leaving the museum in time to arrive back to school to be picked up at 3.15pm. They will need to wear school uniform, coats and also bring a packed lunch. It will be your child's responsibility to carry this during the visit, so a rucksack to carry it may be useful. If you wish to order a school packed lunch, please contact Mrs Shephard in the school office.

The cost of the trip is £18.60 which should be paid online via your parentmail app. Payment must be made prior to the trip taking place.

Thank you for your continued support,

Yours sincerely,

Mr M. Heathcote
