

## Whitegate CofE Primary School Academic Results 2022 – 23

School performance data for the 2022/23 academic year should be used with caution given the ongoing impacts of the COVID-19 pandemic, which affected individual schools and pupils differently.

School performance data should be considered alongside a range of other information about the school, which could include looking at school websites, reading Ofsted reports, and speaking to the school directly. Conclusions should not be drawn on a single piece of data alone.
